

ArchCare Senior Life EDI Codes

Payer / MCO:	ArchCare Senior Life
State / Program:	New York
Effective Date:	10/1/26

The EDI Codes topic defines specific codes used in the import interface process.

Refer to [Homecare EDI Import](#) for import details and interface instructions.

If additional assistance is needed, submit a ticket to the [3rd Party Integration Support Desk](#). Cases are escalated to the EDI Production Support queue.

Note: *Not every code table below applies to every state or payer (for example, some payers do not use Duties Codes). Remove any section that does not apply to this implementation, and add rows or columns anywhere additional detail is needed.*

Duties Code

The table below provides the assigned codes for services/tasks completed during a Patient's Visit according to their Plan of Care (Duties).

Code	Task Name	HHaExchange Category
115	Meal Preparation	Personal Care
116	Housework/Chore	Personal Care
117	Managing Finances	Personal Care

699	PDN-RN Other	Nursing Care
799	Other	Respite Care

MCO/Payer ID

The Payer ID is the unique identifier for the MCO, sent as a required field in the V5 Flat File. The following table provides the MCO/Payer ID Code for the Payer.

Code	MCO/Payer
70193	ArchCare Senior Life

Missed Visit Action Taken

The following table provides the codes and descriptions for the Missed Visit Action Taken field for the Additional Visits Info EDI Import Interface file.

If a Missed Visit is canceled (unchecked), the codes revert to the Visit Edit Code Tables (Reason and Action Taken).

Where a code's meaning or availability differs by plan, the Payer column identifies which plan(s) it applies to. Enter "All" where a code applies uniformly across every plan under this payer.

Code	Description	Payer
50	New attendant assigned to member (this service cannot be billed)	ArchCare Senior Life
51	Confirmed with the member or the member's family member/representative and documented (this service cannot be billed)	ArchCare Senior Life
53	Service(s) cancelled or suspended until further notice (this service cannot be billed)	ArchCare Senior Life
54	Unverified visit (this service cannot be billed)	ArchCare Senior Life
55	Visit rescheduled (this service cannot be billed)	ArchCare Senior Life
56	Other (this service cannot be billed)	ArchCare Senior Life

Missed Visit Reason Codes

The following table provides the codes and descriptions for the Missed Visit Reason Code field for the Additional Visits Info EDI Import Interface file.

If a Missed Visit is canceled (unchecked), the codes revert to the Visit Edit Code Tables (Reason and Action Taken).

Some payers require additional detail (for example, a mandatory note) for specific reason codes. Flag any such codes here and record the underlying requirement in the State/Program-Specific Requirements section below.

Code	Description	Payer
500	Agency unable to provide replacement coverage (no show, no replacement)	ArchCare Senior Life
501	Attendant failed to report to client's home	ArchCare Senior Life
502	Client requested to change/cancel scheduled visit; or the scheduled visit has been cancelled due to the client's services being suspended.	ArchCare Senior Life
610	Member Refused Service	ArchCare Senior Life
611	Member Refused Service - original aide on vacation	ArchCare Senior Life
612	Hospitalization unplanned	ArchCare Senior Life
616	Other	ArchCare Senior Life

Procedure Codes

The following table provides the procedure/service codes, their descriptions, and the corresponding HHAeXchange Service Type. Where a code is only offered under specific plans, the Payer column identifies which plan(s) it applies to; enter “All” where a code applies uniformly across every plan under this payer.

Where specific codes carry additional requirements (for example, authorization exceptions or an NPI requirement), record those details in the State/Program-Specific Requirements section below.

Service Code	Description	HHAEExchange Service Type	Payer
90471	Immunization Administration (RN)		ArchCare Senior Life
92507	Audiology-Treatment of Speech,Language,Voice,Communication and/or Auditory Processing Disorder; Individual		ArchCare Senior Life

T2024	UAS Nursing Service Re-Assessment/POC Devel		ArchCare Senior Life

Required Fields by Import File Type

There are required fields per file document which must be in a specific format. The following table provides the applicable required fields per EDI Import File Type. This EDI Import Interface supports the following import operations into HHAExchange.

If record needs to be imported as a...	Then, the following fields must be provided:
Billed Visit	• Agency Tax ID • Caregiver Code • Caregiver First Name • Caregiver Last Name • Caregiver SSN • Clock-In Service Location Address • Clock-Out Service Location Address • Invoice Number • Medicaid Number • Payer ID • Procedure Code • Schedule End Time • Schedule ID • Diagnosis Code • Schedule Start Time • Visit End Time • Visit Start Time <i>The EVV fields are required if the visit was confirmed via EVV or IVR. Visit Edit and Action Taken codes are required if the visit was manually edited.</i>
Confirmed Visit	• Agency Tax ID • Caregiver Code • Caregiver First Name • Caregiver Last Name • Caregiver SSN • Clock-In Service Location Address • Clock-Out Service Location Address • Medicaid Number • Payer ID • Procedure Code • Schedule End Time • Schedule ID • Diagnosis Code • Schedule Start Time • Visit End Time • Visit Start Time <i>The EVV fields are required if the visit was confirmed via EVV or IVR. Visit Edit and Action Taken codes are required if the visit was manually edited.</i>
Delete a Schedule	• Agency Tax ID • Caregiver Code • Caregiver First Name

If record needs to be imported as a...	Then, the following fields must be provided:
	• Caregiver Last Name • Caregiver SSN • Is Deletion (value should be “Y”) • Medicaid Number • Payer ID • Procedure Code • Schedule End Time • Schedule ID • Schedule Start Time
Missed Visit	• Agency Tax ID • Caregiver Code • Medicaid Number • Missed Visit (value should be “Y”) • Missed Visit Action Taken Code • Missed Visit Reason Code • Payer ID • Procedure Code • Schedule ID
Rebilled Visit	• Agency Tax ID • Caregiver Code • Caregiver First Name • Caregiver Last Name • Caregiver SSN • Clock-In Service Location Address • Clock-Out Service Location Address • Invoice Number • Medicaid Number • Payer ID • Procedure Code • Schedule End Time • Schedule ID • Schedule Start Time • Submission Type • TRN Number • Visit End Time • Visit Start Time <i>The EVV fields are required if the visit was confirmed via EVV or IVR. Visit Edit and Action Taken codes are required if the visit was manually edited.</i>
Schedule	• Agency Tax ID • Caregiver Code • Medicaid Number • Payer ID • Procedure Code • Schedule End Time • Schedule ID

If record needs to be imported as a...	Then, the following fields must be provided:
	• Schedule Start Time
TPL Billing	• Agency Tax ID • Caregiver Code • Caregiver First Name • Caregiver Last Name • Caregiver SSN • Clock-In Service Location Address • Clock-Out Service Location Address • Enable Secondary Billing • Invoice Number • Medicaid Number • Other Subscriber ID • Paid Date • Payer ID • Primary Payer ID • Primary Payer Name • Primary Payer Policy or Group Number • Plan Type • Procedure Code • Relationship to Insured • Total Paid Amount • Total Paid Units • Schedule ID • Schedule End Time • Schedule Start Time • Visit Start Time • Visit End Time <i>Totals for the paid-amount columns must add up to the total field amount provided. The EVV fields are required if the visit was confirmed via EVV or IVR. Visit Edit and Action Taken codes are required if the visit was manually edited.</i>

This EDI Import Interface may support additional import types beyond those listed above (for example, PMPM Billing), and some payers define required fields through a separate reference document rather than an inline field list. Any additional import types, field-level exceptions, or reference documents for this payer are noted below.

Import Type / Reference	Required Fields or Document Link

State/Program-Specific Requirements

Some states or payers apply additional business rules beyond the standard EDI specifications above — for example, splitting overnight visits at midnight, requiring notes on certain missed-visit codes, or requiring an NPI on specific procedure codes. The table below documents any such requirements for this payer.

Topic	Requirement Details

Visit Edit Action Taken Codes

The following table provides the codes and descriptions for the Visit Edit Action Taken field for the following EDI Import Interface files: Confirmed Visits and Billed Visits.

Where a code's meaning or availability differs by plan, the Payer column identifies which plan(s) it applies to. Enter "All" where a code applies uniformly across every plan under this payer.

Code	Description	Payer
10	Confirmed with the client or the client's family member/representative and documented.	ArchCare Senior Life
11	Supervisor approved change.	ArchCare Senior Life
12	Updated client's phone number and documented.	ArchCare Senior Life

14	Timesheet received and signed by supervisor.	ArchCare Senior Life
15	Confirmed visit with outside entity and documented.	ArchCare Senior Life
16	Visit rescheduled.	ArchCare Senior Life
17	Updated client's address and documented.	ArchCare Senior Life
18	New attendant assigned to client.	ArchCare Senior Life
19	Unverified visit; this service cannot be billed.	ArchCare Senior Life
20	Service(s) cancelled or suspended until further notice.	ArchCare Senior Life
21	Timesheet Verified.	ArchCare Senior Life
22	Mutual Case/ or Cluster Case/ or Live-in Case.	ArchCare Senior Life
23	Change in schedule.	ArchCare Senior Life
26	Other	ArchCare Senior Life

Visit Edit Reason Codes

The following table provides the codes and descriptions for the Visit Edit Reason field for the following EDI Import Interface files: Confirmed Visits and Billed Visits.

Where a code's meaning or availability differs by plan, the Payer column identifies which plan(s) it applies to. Enter "All" where a code applies uniformly across every plan under this payer.

Code	Description	Payer
100	Phone number did not link to the client.	ArchCare Senior Life
101	Client does not let attendant use phone.	ArchCare Senior Life
102	Client does not have a phone in home.	ArchCare Senior Life
103	Phone in use by client or individual in client's home.	ArchCare Senior Life
104	Client received services outside of the home.	ArchCare Senior Life
105	Client's phone line not working (technical issue or natural disaster).	ArchCare Senior Life
106	Client requested to change/cancel scheduled visit; or the scheduled visit has been cancelled due to the client's services being suspended.	ArchCare Senior Life
107	Address did not link to the client (GPS).	ArchCare Senior Life
108	Attendant failed to call in.	ArchCare Senior Life
109	Attendant failed to call out.	ArchCare Senior Life
110	Attendant failed to call in and out.	ArchCare Senior Life
111	Attendant called in to or out of the EVV system early or late.	ArchCare Senior Life
112	Attendant's identification number (s) does not match the scheduled shift or task discrepancy/task does not match plan of care.	ArchCare Senior Life
113	Attendant entered invalid fixed location device code(s).	ArchCare Senior Life
114	Attendant failed to report to client's home.	ArchCare Senior Life
115	Fixed location device on order or pending placement in the home.	ArchCare Senior Life
116	Fixed location device malfunctioned.	ArchCare Senior Life

Code	Description	Payer
117	Attendant unable to use mobile device.	ArchCare Senior Life
118	Attendant unable to connect to internet or EVV system down.	ArchCare Senior Life
119	Data Entry Error	ArchCare Senior Life
120	Agency unable to provide replacement coverage (no show, no replacement).	ArchCare Senior Life
