

Hamaspik Choice EDI Codes

Payer / MCO:	Hamaspik Choice
State / Program:	New York
Effective Date:	10/1/26

The EDI Codes topic defines specific codes used in the import interface process.

Refer to [Homecare EDI Import](#) for import details and interface instructions.

If additional assistance is needed, submit a ticket to the [3rd Party Integration Support Desk](#). Cases are escalated to the EDI Production Support queue.

Note: *Not every code table below applies to every state or payer (for example, some payers do not use Duties Codes). Remove any section that does not apply to this implementation, and add rows or columns anywhere additional detail is needed.*

MCO/Payer ID

The Payer ID is the unique identifier for the MCO, sent as a required field in the V5 Flat File. The following table provides the MCO/Payer ID Code for the Payer.

Code	MCO/Payer
70202	Hamaspik Choice

Missed Visit Action Taken

The following table provides the codes and descriptions for the Missed Visit Action Taken field for the Additional Visits Info EDI Import Interface file.

If a Missed Visit is canceled (unchecked), the codes revert to the Visit Edit Code Tables (Reason and Action Taken).

Where a code's meaning or availability differs by plan, the Payer column identifies which plan(s) it applies to. Enter "All" where a code applies uniformly across every plan under this payer.

Code	Description	Payer
50	New attendant assigned to member (this service cannot be billed)	Hamaspik Choice
51	Confirmed with the member or the member's family member/representative and documented (this service cannot be billed)	Hamaspik Choice

State/Program-Specific Requirements

Some states or payers apply additional business rules beyond the standard EDI specifications above — for example, splitting overnight visits at midnight, requiring notes on certain missed-visit codes, or requiring an NPI on specific procedure codes. The table below documents any such requirements for this payer.
